C:\Users\jay.shanmugam\workspace\ServletDemo>git commit -m"my first commit"
[master (root-commit) 2af3a2a] my first commit
Committer: Jay Shanmugam <jay.shanmugam@aspirexys.com>
Your name and email address were configured automatically based
on your username and hostname. Please check that they are accurate.
You can suppress this message by setting them explicitly. Run the
following command and follow the instructions in your editor to edit
your configuration file:

    git config --global --edit

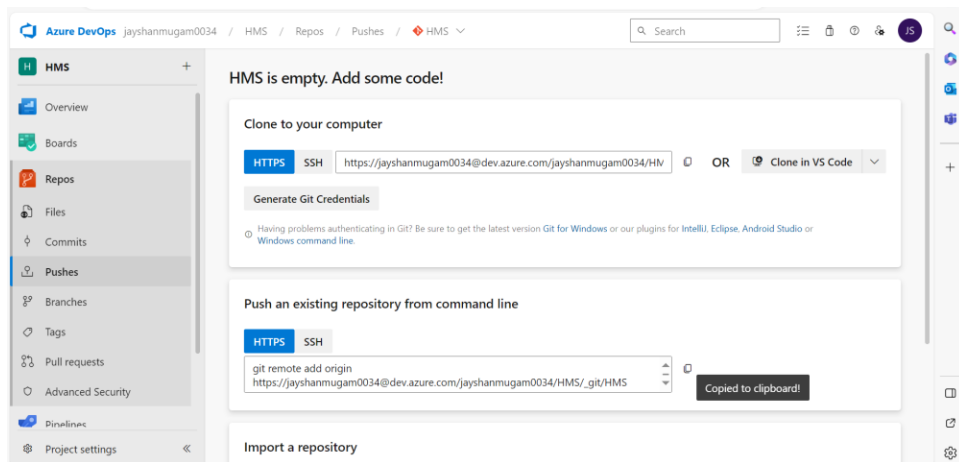

After doing this, you may fix the identity used for this commit with:

    git commit --amend --reset-author

Azure DevOps Parallelism Request

This form is for users to request increased parallelism in Azure DevOps. Please consider that it could take 2-3 business days to process the request. We are working on improving this process at the moment. Sorry for the inconvenience.

1. What is your name? *

jayshamugam S

2. What is your email address? *

jayshamugam@expireps.com

3. What is the name of your Azure DevOps Organization? *

(Go to https://myorgname.visualstudio.com or https://dev.azure.com/myorgname/ to format - organization name would be "myorgname")

https://dev.azure.com/jayshamugam0034/HMS

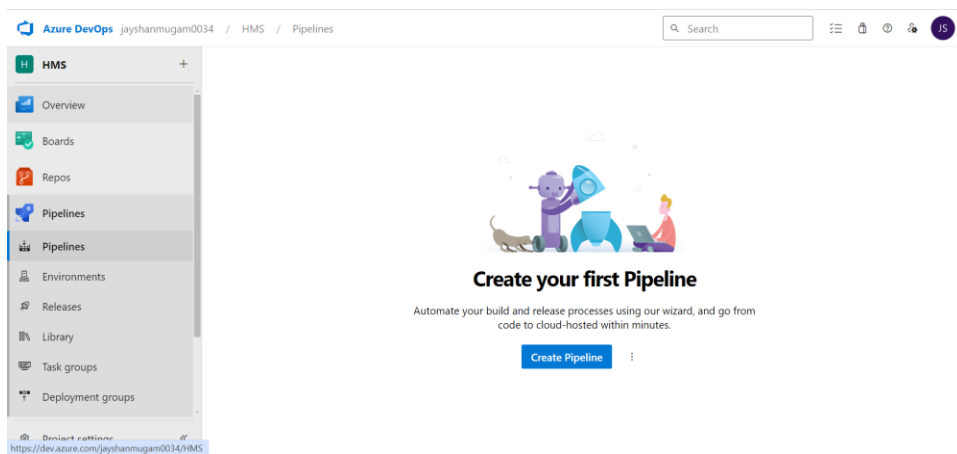

4. Are you requesting a parallelism increase for Public or Private projects? *

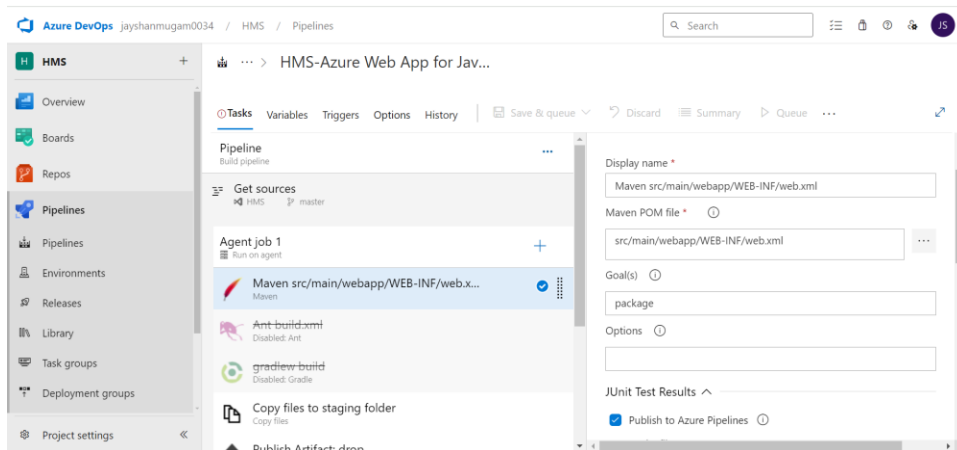

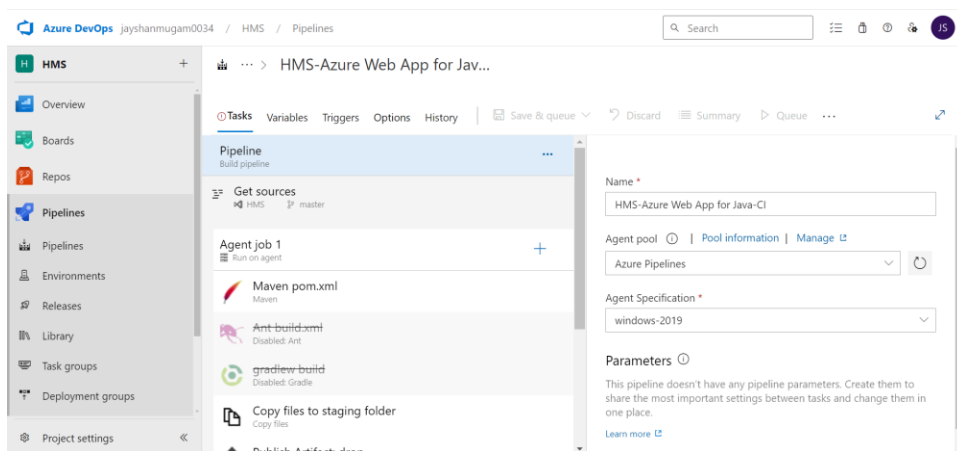

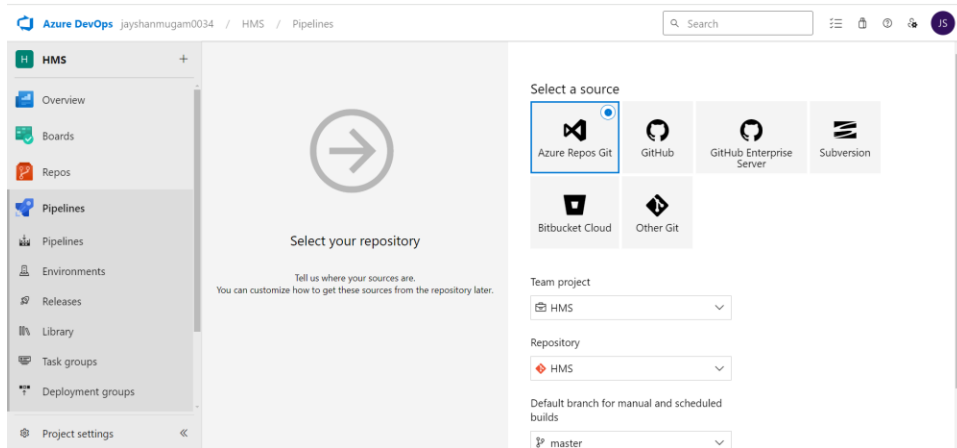

☒ Private

☐ Public
